The following memo of precautionary measures to be adopted during the ensuing Sri Subrahmanyaswami Jatra at Ghati in the Dodballapur Taluk, which commences from the 9th instant, is issued for information of the general public, in the interest of public safety and welfare.

1. The several shops that are to be located in the jatra premises should be allowed to be constructed in lines leaving an intervening space between shops and leaving a space of 7 feet from the side drains on either side of the roads, to avoid accidents, obstruction, etc.

2. Sweetmeat shops and hotels should not be allowed to be located in a line with or adjacent to other shops, and to avert danger, a separate line should be provided for locating them as they will always have to keep the fire ovens alive.

3. *Temple Premises.*—Inside the compound, the temple verandah should be barricaded so as to have separate ingress and egress for males and females. The pilgrims who visit the shrines to offer prayers should not be allowed in a body to get into the temple but by batches sufficient to be accommodated, and the temple proper should on no account be allowed to be polluted by allowing persons to make the temple their halting and resting place.

4. *Cattle Fair.*—Cattle that gather should not be allowed to be exhibited close to the high roads. They should be made to stand in places and in lines specially to be allotted for such purposes.

[illegible] for pilgrims should on no account be allowed to run [illegible] to stop at the junction of Bowring [illegible] roads beyond the Makli Railway Station, where the pilgrims must be made to alight and instructed to make their own arrangements to go to the jatra. A place will however be selected to park such vehicles at that place.

6. As regards pleasure cars, the speed in the jatra premises should be so fixed that it should not exceed 6 miles an hour and danger posts should be fixed up in all curves and other dangerous places for drivers to take precautions.

7. Licenses should not be granted to theatricals, etc., until they have one hundred pots of water ready at all times to meet emergencies. The theatres should have at least six doors for ingress and egress.

For *Deputy Commissioner.*

FINANCIAL DEPARTMENT.

Subject.—Noting the detailed heads of classification on bills presented at the Treasury.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 80, dated 22nd December 1926.

To

All Heads of Offices, Drawing Officers and Treasury Officers.

The responsibility for watching the progress of expenditure on all heads of charges against the sanctioned grants and for applying for additional funds wherever necessary by reappropriation or by supplementary grants, without delay, rests primarily with the Heads of Departments. Under the present arrangement, the Heads of Departments have to await the receipt of the monthly statement showing the progress of audited outlay under the several heads sent from the Comptroller's Office. Some time necessarily lapses between the incurring of expenditure by the Drawing Officers and the receipt of the Comptroller's statement by the Heads of Departments. To enable the Heads of Departments to exercise efficient control over the progress of expenditure, it is under consideration to introduce improvements in the accounts procedure so that Heads of Departments may keep a timely note of all bills paid in Treasuries pertaining to their grants and get a progressive total of their departmental expenditure as early as possible without waiting for the statement. As a first step in this direction the following circular instructions are issued with the approval of Government for the guidance of all Drawers of bills and Treasuries:—

2. All Officers drawing bills which are presented for encashment at Treasuries should, from 1st February 1927, note on them in *red ink* the detailed heads of classification, and the amount pertaining to each head in the subjoined illustrative form:—

DETAILS OF ALLOCATION.

Gross amount of the Bill
  Major Head
  Minor Head
  Detailed Head.

Deductions
  Life Insurance Fund.
  .....
  .....
  .....
  .....
  .....

Net amount of the Bill Rs.

3. When a single bill includes charges falling under two or more detailed heads, the charges must be distributed under their respective heads. Detailed heads of classification are found in the detailed Budget Estimates which should be adhered to. The important rules of classification and the list of Major, Minor and Sub-heads of Revenue and Expenditure with necessary instructions are embodied in a separate book styled "General Rules, Principles and Details of Classification in Public Accounts" which is under print and the book will be supplied to all drawers of bills and the offices to which copies of the revised edition of Mysore Civil Account Code, Volume I, has been supplied. With the aid of this book and the copies of the detailed Budget Estimates sanctioned and published every year, the Head in the Public Accounts to which each payment is chargeable can be easily ascertained. If any doubt is felt in regard to any particular item, the nearest treasury may be consulted. To facilitate the noting of such allocation sufficient blank space will be left in the bill form, when they are next printed. In the alternative, classification sheets may, in communication with the undersigned, be arranged to be printed and attached to bills.

4. Bills in which such classification is not noted will not be honoured at the Treasuries, from and after 1st February 1927.

5. This circular does not apply to payments at Treasuries on account of pensions, deposits, remittance transfer receipts, departmental cheques, refund orders and cheques of local bodies

S. SHAMANNA,
Comptroller.

Requesting a statement of unadjusted advances and unremedied objections to be attached to the report of transfer of charge.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 81--G.A.D., *dated 8th January* 1927.

To

All Drawing and Countersigning Officers.

Sir,

I have the honor to state that as per Article 72 (3), Mysore Account Code, Volume I (Article 62 (3) of the revised Mysore Civil Account Code, Volume I) every Officer who is responsible for the adjustment of advances and who is transferred to another office before fully accounting for the amounts outstanding against him should leave a memorandum clearly explaining the state of accounts for the information and guidance of his successor, and attach a statement of unadjusted advances and unremedied objections to the report of transfer of charge. At present such statements are not received from all officers. It is requested that the statement in the prescribed form should be sent invariably along with the charge reports in all cases of transfer. Whenever there is no unadjusted advance, or unremedied objections, *nil* statements should be sent.

2. To enable the officers to furnish such lists, each Head of Office should maintain registers in the enclosed Forms (A) and (B) for all special advances drawn by him and for all the objection slips, retrenchment orders, etc., received by him from the Audit Office and keep them posted up to date.

I have the honor to be,
Sir,
Your most obedient servant,
S. SHAMANNA,
Comptroller.

FINANCIAL DEPARTMENT.

Subject.—Issuing instructions in the matter of crediting to Village Panchayets the Mohatarfa tax levied and collected by the Revenue Department.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. L.4.D. 84—411-13, dated 20th January 1927

To—The Deputy Commissioner of Districts
and all Treasury Officers of Districts and Taluks.

In pursuance of Government Order No. L. 2500-14—L. B. 26-26-40 of the 5th October 1926, stating that the Village Panchayets will come into force from the 1st February 1927, in accordance with the provisions of the Mysore Panchayet Regulation, V of 1926, and directing that the Mohatarfa taxes shall, till the Panchayets concerned actually levy the taxes, continue to be levied from the 1st February 1927 by Jamabandi Officers in Government Villages and in Inam Villages in which the right to levy Mohatarfa has been reserved to Government at the time of settlement and that the taxes so collected by the Revenue Department be credited to the Village Panchayets concerned instead of to District Funds to which head the tax was hitherto being credited and desiring this office to issue needful instructions in the matter, the undersigned has the honor to state that the Mohatarfa levied in a district was hitherto being transferred at the end of each month, in its entirety to District Funds and that there was no difficulty felt either by the treasury or by the President of the Board to incorporate the figure in the accounts of the Board.

2. The Mohatarfa tax levied from 1st February 1927, within the precincts of a Village Panchayet has, according to the above order, to be credited correctly to the Panchayets concerned in the Panchayets Accounts. To give effect to the above, the following procedure shall be followed from 1st February next:—

3. The Mohatarfa tax shall, as hitherto, continue to be levied by the Jamabandi Officers and the collections made by each Shanbhog and Patel shall continue to be included in the irsalpatti which shall be presented to the treasury along with the amount specified therein. The treasury shall enter in the Treasury Land Revenue Sub-Register, the figures under the several detailed heads as shown in the irsalpatti. The procedure required to be followed in the case of collections made by the Shanbhog and Patels of Village, of remittances of the same to the treasury concerned, *viz.*, of presenting the irsalpatti in the first instance to the Revenue Branch of the Amildar of the taluk, or check and attestation of the irsal with the day book or khardi of the Shanbhog shall be followed in the case of Mohatarfa tax. The Local Fund Clerk attending to the work and correspondence of the Village Panchayets in the Funds Office will take a note of the amounts realised in a sub-ledger register in the form hereto attached (Form 1) and initial the chalan against the entry concerned in token of his having taken note of the collection. The irsalpatti will, after attestation of the Revenue and Local Fund Branch Clerks, be presented by the Patel or Shanbhog to the treasury. The Treasury Officer will not accept the irsal containing amounts realised on account of Mohatarfa unless it bears also the initials of the Local Fund Clerk in addition to the initials of the clerks of the Revenue Department as usual.

4. Under Section 55 (3) of the Village Panchayet Regulation, V of 1926, and under Rule 3 of the rules published in the *Mysore Gazette* dated 13th January 1927, with Notification No. L. 4346—L. B. 26-26-127, dated the 6th January 1927, the Panchayet Fund shall be lodged in the Government Savings Bank, or in a Co-operative Society or other place approved by the Deputy Commissioner. The Treasury Account Branch will transfer the total of the Mohatarfa tax as shown in the Land Revenue Subsidiary Register to a new head "9 (v)—Mohatarfa tax levied in Villages" immediately below "9—District Funds" which head may be opened after "Village Funds."

The Local Fund Clerk will, at the end of each month, classify by Panchayets the figures taken by him in his Subsidiary Register and enter them in a register in the form hereto attached (Form 2) the total for the month should then be worked out and agreed with the Subsidiary Register.

5. The Amildar will draw from the treasury the amounts due to each Village Panchayet as arrived at in the Subsidiary Register, on a bill in the form annexed hereto (Form 3) without delay in the month following that in which the amounts were credited and arrange to credit the same to the funds of the Village Panchayets concerned wherever they are permitted to be lodged. The amounts so drawn and paid shall be entered in the Subsidiary Register and noted against the receipt entries in the Abstract Register maintained by the Local Fund Clerk. At the close of the month all the columns in the Abstract Register shall be totalled and the grand total arrived at. This register shall then be presented at the treasury for verification with the treasury sub-register and attestation by the Treasury Officer.

In cases in which the Village Panchayets have deposited their funds in the Government Savings Bank, the Amildar will send a chalan in the form prescribed for the Government Savings Bank Deposits along with the bill and present the same at the treasury with the Savings Bank Pass Book for transfer credit to Savings Bank Accounts of the Village Panchayets concerned and arrange for the credit being incorporated in the accounts of the Panchayets concerned.

6. The treasury will open a Subsidiary register in the form prescribed for District Funds showing only the dates, particulars of receipts and amounts on one side and dates, particulars of payments and amounts on the other and at the end of the month append an abstract showing the opening balance, receipts, payments and closing balance relating to this new fund. On the receipt side, only the total amount for the month adjusted from the Land Revenue Subsidiary Register at the end of the month will appear in this register. The original of the Treasury Subsidiary Register with the total receipts and payments agreed with the monthly cash accounts will be forwarded to the District Treasury with a separate plus and minus memo duly attached thereto.

7. The figures in the register presented by the Local Fund Clerk shall be agreed with those in the Subsidiary Register and a certificate of agreement recorded in the former register. If any discrepancies are noticed during the course of verfiication they should be immediately traced and rectified. Discrepancies affecting the treasury account should be rectified by making fresh receipt or payment entries in the treasury sub-registers and not by merely correcting the opening and closing balances.

8. The District Treasury will prepare an abstract on a facing sheet by taluks and then total up the receipts and payments for the district which after agreement with the monthly cash accounts should be forwarded to the Comptroller with the monthly cash accounts. The plus and minus memos received from taluks will also be similarly consolidated separately and forwarded to the Comptroller's Office like the above. There should be a complete agreement between the figures shown in the cash account and those in the Subsidiary Registers and plus and minus memos. It should be strictly understood that no correction should be made by the District Treasury in the Taluk Treasury Subsidiary Registers except by the Taluk Treasury itself.

9. In the procedure laid down above, the Amildar is to see that the transactions connected with the allocation of the Mohatarfa tax is done on a fixed date or dates in each month.

10. As under the new Panchayet Regulation and the Rules published thereunder, the Village Panchayets are not allowed any accounts with the treasury except as a deposit in the Government Savings Banks. No Panchayets should be allowed with effect from 1st February 1927, to operate under the present head "Village Funds." The amounts outstanding under this head should be arranged to be drawn at a very early date for being deposited in favour of the Panchayets concerned in places where their funds are allowed to be lodged under the new rules.

11. At the end of each year the balance outstanding against each Panchayet should be extracted and sent to the Comptroller on or before the 31st of July through the treasury which before forwarding will certify to the agreement of the balances in the Abstract Register with the Treasury Subsidiary Register.

S. SHAMANNA,

JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE AT BANGALORE.

Roc. No. 719 *of* 26-27, *dated* 26*th day of January* 1927.

SUBJECT.

Presentation of appeals after the period of limitation.

Under Rule 6 of the Chief Court Rules (*vide* page 24, Volume I, General Rules and Orders—Civil) it is laid down that all appeals.....presented after the time prescribed by law must be accompanied by an explanation of the delay supported by an affidavit and that the statement of the cause of the delay should be made in the memorandum of appeal.....

In many cases the appellant or his counsel does not state in the memorandum of appeal that it is out of time, nor does he file an affidavit explaining the delay. In such cases the memorandum of appeal has to be returned for necessary amendment and the appeal posted for hearing after notice to respondent.

In Madras under Sub-Rule (3) to Rule I, O.—XLI, C. P. C., in such cases a petition supported by an affidavit setting forth the facts on which the appellant relies to satisfy the Court that he had sufficient cause for not preferring the appeal within the period of limitation shall accompany the memorandum of appeal and the Court shall not proceed to deal with the appeal in any way (otherwise than by dismissing it either under Rule 11 of that order or on the ground that it is not satisfied as to the sufficiency of the reasons for extending the period of limitation) until notice has been given to the respondent and his objections, if any, have been heard.

The Madras procedure seems to be preferable to the one now in force here of including the cause of the delay in the memorandum of appeal, since a separate judicial order has to be passed condoning the delay before the admission of the appeal.

The following draft rule, which it is therefore proposed to make in exercise of the powers conferred by Section 122 of the Code of Civil Procedure, 1911, is published as required by the said section, for the information of all persons likely to be affected thereby and notice is hereby given that the said draft rule will be taken up for consideration by the Chief Court on or after 19th March 1927.

Any objection or suggestion which may be received from any person with respect to the draft rule before the date aforesaid will be considered by the Chief Court.

Draft Rule.

Add the following as Sub-Rule (3), Rule 1 of Order XLI, C. P. Code, 1911 :—

"When an appeal is presented after the period of limitation prescribed therefor, it shall be accompanied by a petition supported by affidavit setting forth the facts on which the appellant relies to satisfy the Court that he had sufficient cause for not preferring the appeal within such period, and the Court shall not proceed to deal with the appeal in any way otherwise than by dismissing it either under Rule 11 of this Order or on the ground that it is not satisfied as to the sufficiency of the reasons for extending the period of limitation) until notice has been given to the respondent and his objections, if any, to the Court acting under the provisions of Section 5 of the Limitation Regulation, No. IV of 1911 have been heard."

FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE, BANGALORE.

Dated 8th February 1927.

The following Press Communique issued by Government of India is published for general information.

PRESS COMMUNIQUE.

The Government of India have already put into circulation new design Rs. 5 and 10 Currency Notes and now propose to introduce a new pattern Rs. 100 Note which will be less liable to imitation and more convenient to handle than the existing note. Notes of the new pattern will shortly be issued from the Rangoon Currency Office and thereafter from other Currency Offices as the stock of the existing pattern is exhausted.

2. The general appearance of the new note is entirely different from that of the existing Rs. 100 Note and bears some resemblance to the new pattern notes already issued. Its size is $6\frac{3}{4}'' \times 4\frac{1}{2}''$, *i.e.*, $\frac{1}{8}''$ bigger all round than the new pattern Rs. 10.

3. The ground work of the note is a tracery of different colours blending one into another, with a central vertical band of brown shading gradually on each side into bands of grey and mauve, the predominant colour being a delicate mauve. The overprint is in green of a deeper tinge than the green on the Rs. 10 Note.

4. The most prominent features of the design are two large oval frames, one on each side of the note. The frame on the left contains no printing but shows a portrait of His Majesty the King Emperor in water mark. The frame on the right encloses an engraving in green of the head of His Majesty the King Emperor with Crown and Orders, the portrait being overprinted with dark lines. There is a monogram of the letters "G. R. I." directly over this frame. Besides the water mark of His Majesty's portrait, there are water marks of four wavy lines right round the border and of the word "India" at the bottom of the note towards the right.

5. The value of the note is shown in words at the centre of the note in three lines, the word, "hundred" appearing in a clear space between the other two lines. The value in numbers appears at the top right hand and the bottom left hand corners in open spaces inside a bordered frame.

6. The serial numbers are printed in black at the top right hand and bottom left hand quarters near the middle of the note, the former being to the left of the monogram. The circle of issue is shown in the centre of the upper half of the note.

7. The colours on the reverse of the note are the same as on the face. There are two oval spaces at the back of the note corresponding to the two frames on the face with filigree work within. The value of the note is shown in English directly under the two oval frames and in the centre in eight different vernaculars in words printed in deep green.

LOST.

The Mysore Government Promissory Note No. D005393 of $6\frac{1}{4}$% loan of 1910 for Rs. 100 originally standing in the name of B. Venkataramayya the Proprietor, by whom it was never endorsed to any other person, having been lost, notice is hereby given that payment of the above note and the interest thereupon has been stopped by the Comptroller to the Government of Mysore and that application is about to be made for the issue of a duplicate in favour of the Proprietor. The public are cautioned against purchasing or otherwise dealing with the above mentioned security.

C. M. H. MANJUNATHA SINGH,
For District Magistrate.

FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE, BANGALORE.

DEFINING JURISDICTION UNDER ART. 575, M. S. R.

Cir. No. 85, dated 1st February 1927.

To

All Drawing and Countersigning Officers.

Under instructions conveyed by the Secretary to Government, Financial Department, in his letter No. Fi. 5385—S. and A. 70-26, dated 11th January 1927, and in supersession of this office Circular No. 507—T. A., dated 4th February 1926, anent the exchange of permanent Monthly Travelling Allowances by officers for other allowances under the amendment to Art. 575, M. S. R., introduced by Correction Slip No. 25, dated the 14th September 1925, the undersigned has the honor to state that in the case of officers drawing Permanent Monthly travelling Allowance, jurisdiction is synonymous with circle of duty whether the latter covers one or more taluks and to request all drawing and countersigning officers to see that (1) Permanent Monthly Travelling Allowance is not exchanged for other allowances, in the case of journeys performed within the limits of the taluk or taluks included in the area of their jurisdiction, when jurisdiction extends over more than one taluk, (2) the limit of taluk applies only in the case of officers attached to particular offices, such as Police Jamedars attached to a District Superintendent of Police or a Forest Ranger attached to the District Forest Officer and who have no circle of duties or a definite area of jurisdiction.

Circular No. 89—M. A. D., dated 9th February 1927.

Subject—Crossing of cheques or Remittance Transfer Receipts, the amounts whereof are to be credited to Government.

To

All Treasury Officers.

Some cases have come to the notice of the undersigned in which Cheques or Remittance Transfer Receipts, drawn on Treasuries and creditable there to some Government Account, have been paid in cash resulting at times in misappropriation of Government money. According to Article 32 (*c*) Mysore Civil Account Code, Volume I, Second Edition and Article 131 (g) Mysore Account Code, Volume II, First Edition, the Government Officers, in whose favour Cheques or Remittance Transfer Receipts have been issued, should while sending such documents to treasuries invariably add the words "Received payment by transfer credit to.....". Omission to do this facilitates fraudulent appropriation of money. Treasury Officers are therefore requested to be careful to see that Cheques and Remittance Transfer Receipts payable to a Government Officer are paid in cash only in cases where the amount is not to be credited at the Treasury. The head of credit in the Treasury Accounts, should be clearly noted on the Cheque or Remittance Transfer Receipt. In addition to care being taken to make the endorsement as indicated above, the officers receiving such Cheques or Remittance Transfer Receipts should invariably cross them to prevent the risk of fraudulent encashment.

S. SHAMANNA,
Comptroller.

For *Deputy Commissioner.*

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

Circular No. C. 2655—26-27, *dated* 9—15*th February* 1927.

Numerous instances have come to the notice of the undersigned of miscellaneous revenue cases being posted for hearing at random without reference to the other engagements of the Officers concerned and the probability of the case being actually taken up on the date on which it is posted. The result is that the disposal of such cases is unnecessarily protracted. and much inconvenience and delay are caused by frequent adjournments.—It is necessary that proper arrangements should be made for the disposal of such cases as far as possible on the very first day on which these cases come up for hearing. All Revenue Officers are requested to so arrange the posting of cases hereafter so that this work does not conflict with their other engagements and the cases are disposed of invariably on such dates—Adjournments should not ordinarily be granted and when absolutely necessary, the reasons should be noted in detail in the records. All the information necessary for the disposal of a case should be collected and got ready before the hearing so that cases may not, as a rule, be put off for want of sufficient information on any particular point or other cause. The Deputy Commissioners are requested to impress the importance of this circular on their subordinate officers and see that they do not give room for avoidable delays. The attention paid to the disposal of miscellaneous cases should be examined by the Inspecting Officer and the names of Officers who show any tendency not to deal with such cases promptly should be reported to the undersigned.

Revenue Commissioner.

FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE, BANGALORE.

DEFINING JURISDICTION UNDER ART. 575 M. S. R.

Cir. No. 85, dated 1st February 1927.

To

All Drawing and Countersigning Officers.

Under instructions conveyed by the Secretary to Government, Financial Department, in his letter No. FI. 5085—8 and A. 70-25, dated 11th January 1927, and in supersession of this office Circular No. 507—T. A., dated 4th February 1926, anent the exchange of permanent Monthly Travelling Allowances by officers for other allowances under the amendment to Art. 575, M. S. R., introduced by Correction Slip No. 25, dated the 14th September 1925, the undersigned has the honor to state that in the case of officers drawing Permanent Monthly travelling Allowance, jurisdiction is synonymous with circle of duty whether the latter covers one or more taluks and to request all drawing and countersigning officers to see that (1) Permanent Monthly Travelling Allowance is not exchanged for other allowances, in the case of journeys performed within the limits of the taluk or taluks included in the area of their jurisdiction, when jurisdiction extends over more than one taluk. (2) the limit of taluk applies only in the case of officers attached to particular offices, such as Police Jamedars attached to a District Superintendent of Police or a Forest Ranger attached to the District Forest Officer and who have no circle of duties or a definite area of jurisdiction.

Dated 8th February 1927.

The following Press Communique issued by Government of India is published for general information.

PRESS COMMUNIQUE.

The Government of India have already put into circulation new design Rs. 5 and 10 Currency Notes and now propose to introduce a new pattern Rs. 100 Note which will be less liable to imitation and more convenient to handle than the existing note. Notes of the new pattern will shortly be issued from the Rangoon Currency Office and thereafter from other Currency Offices as the stock of the existing pattern is exhausted.

2. The general appearance of the new note is entirely different from that of the existing Rs. 100 Note and bears some resemblance to the new pattern notes already issued. Its size is $6\frac{3}{4}'' \times 4\frac{1}{2}''$, *i.e.*, $\frac{1}{2}''$ bigger all round than the new pattern Rs. 10.

3. The ground work of the note is a tracery of different colours, blending one into another, with a central vertical band of brown shading gradually on each side into bands of grey and mauve, the predominant colour being a delicate mauve. The overprint is in green of a deeper tinge than the green on the Rs. 10 Note.

4. The most prominent features of the design are two large oval frames, one on each side of the note The frame on the left contains no printing but shows a portrait of His Majesty the King-Emperor in water mark. The frame on the right encloses an engraving in green of the head of His Majesty the King-Emperor with Crown and Orders, the portrait being overprinted with dark lines. There is a monogram of the letters "G. R. I." directly over this frame. Besides the water mark of His Majesty's portrait, there are water marks of four wavy lines right round the border and of the word "India" at the bottom of the note towards the right.

5. The value of the note is shown in words at the centre of the note in three lines, the word, "hundred" appearing in a clear space between the other two lines. The value in numbers appears at the top right hand and the bottom left hand corners in open spaces inside a bordered frame.

6. The serial numbers are printed in black at the top right hand and bottom left hand quarters near the middle of the note, the former being to the left of the monogram. The circle of issue is shown in the centre of the upper half of the note.

7. The colours on the reverse of the note are the same as on the face. There are two oval spaces at the back of the note corresponding to the two frames on the face with filigree work within. The value of the note is shown in English directly under the two oval frames and in the centre in eight different vernaculars in words printed in deep green.

Circular No. 89—*M. A. D., dated 9th February* 1927.

Subject—Crossing of cheques or Remittance Transfer Receipts, the amounts whereof are to be credited to Government.

To

All Treasury Officers.

Some cases have come to the notice of the undersigned in which Cheques or Remittance Transfer Receipts, drawn on Treasuries and creditable there to some Government Account, have been paid in cash resulting at times in misappropriation of Government money. According to Article 32 (*c*) Mysore Civil Account Code, Volume I, Second Edition and Article 131 (g) Mysore Account Code, Volume II, First Edition, the Government Officers, in whose favour Cheques or Remittance Transfer Receipts have been issued, should while sending such documents to treasuries invariably add the words "Received payment by transfer credit to.....". Omission to do this facilitates fraudulent appropriation of money. Treasury Officers are therefore requested to be careful to see that Cheques and Remittance Transfer Receipts payable to a Government Officer are paid in cash only in cases where the amount is not to be credited at the Treasury. The head of credit in the Treasury Accounts, should be clearly noted on the Cheque or Remittance Transfer Receipt. In addition to care being taken to make the endorsement as indicated above, the officers receiving such Cheques or Remittance Transfer Receipts should invariably cross them to prevent the risk of fraudulent encashment.

LOST.

The Mysore Government Promissory Note No. D005393 of $6\frac{1}{4}\%$ loan of 1940 for Rs. 100 orig nally standing in the name of B. Venkataramayya the Proprietor, by whom it was never endorsed to any other person, having been lost, notice is hereby given that payment of the above note and the interest thereupon has been stopped by the Comptroller to the Government of Mysore and that application is about to be made for the issue of a duplicate in favour of the Proprietor. The public are cautioned against purchasing or otherwise dealing with the above mentioned security.

The public are cautioned against purchasing or otherwise dealing with the above mentioned security.

Dated 8th February 1927.

The following Press Communique issued by Government of India is published for general information.

PRESS COMMUNIQUE.

The Government of India have already put into circulation new design Rs. 5 and 10 Currency Notes and now propose to introduce a new pattern Rs. 100 Note which will be less liable to imitation and more convenient to handle than the existing note. Notes of the new pattern will shortly be issued from the Rangoon Currency Office and thereafter from other Currency Offices as the stock of the existing pattern is exhausted.

2. The general appearance of the new note is entirely different from that of the existing Rs. 100 Note and bears some resemblance to the new pattern notes already issued. Its size is $6\frac{3}{4}'' \times 4\frac{1}{2}''$, *i.e.*, $\frac{1}{8}''$ bigger all-round than the new pattern Rs. 10.

3. The ground work of the note is a tracery of different colours, blending one into another, with a central vertical band of brown shading gradually on each side into bands of grey and mauve, the predominant colour being a delicate mauve. The overprint is in green of a deeper tinge than the green on the Rs. 10 Note.

4. The most prominent features of the design are two large oval frames, one on each side of the note The frame on the left contains no printing but shows a portrait of His Majesty the King-Emperor in water mark. The frame on the right encloses an engraving in green of the head of His Majesty the King-Emperor with Crown and Orders, the portrait being overprinted with dark lines. There is a monogram of the letters "G. R. I." directly over this frame. Besides the water mark of His Majesty's portrait, there are water marks of four wavy lines right round the border and of the word "India" at the bottom of the note towards the right.

5. The value of the note is shown in words at the centre of the note in three lines, the word, "hundred" appearing in a clear space between the other two lines. The value in numbers appears at the top right hand and the bottom left hand corners in open spaces inside a bordered frame.

6. The serial numbers are printed in black at the top right hand and bottom left hand quarters near the middle of the note, the former being to the left of the monogram. The circle of issue is shown in the centre of the upper half of the note.

7. The colours on the reverse of the note are the same as on the face. There are two oval spaces at the back of the note corresponding to the two frames on the face with filigree work within. The value of the note is shown in English directly under the two oval frames and in the centre in eight different vernaculars in words printed in deep green.

Circular No. 89—M. A. D., dated 9th February 1927.

Subject—Crossing of cheques or Remittance Transfer Receipts, the amounts whereof are to be credited to Government.

To

All Treasury Officers.

Some cases have come to the notice of the undersigned in which Cheques or Remittance Transfer Receipts, drawn on Treasuries and creditable there to some Government Account, have been paid in cash resulting at times in misappropriation of Government money. According to Article 32 (*c*) Mysore Civil Account Code, Volume I, Second Edition and Article 131 (g) Mysore Account Code, Volume II, First Edition, the Government Officers, in whose favour Cheques or Remittance Transfer Receipts have been issued, should while sending such documents to treasuries invariably add the words "Received payment by transfer credit to.....". Omission to do this facilitates fraudulent appropriation of money. Treasury Officers are therefore requested to be careful to see that Cheques and Remittance Transfer Receipts payable to a Government Officer are paid in cash only in cases where the amount is not to be credited at the Treasury. The head of credit in the Treasury Accounts, should be clearly noted on the Cheque or Remittance Transfer Receipt. In addition to care being taken to make the endorsement as indicated above, the officers receiving such Cheques or Remittance Transfer Receipts should invariably cross them to prevent the risk of fraudulent encashment.

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

Notice.

MODIFICATION OF RULE NO. 9 OF THE RULES GOVERNING THE SUPPLY OF ELECTRICITY BY THE GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

With a view to reduce the present overcrowding of payers-in at the Cash Receiving Counter of the Office of the Superintendent, Power and Lighting, Bangalore, on and about the 15th of every month and the consequent undue pressure of work in the office on those dates, it has been decided to make arrangements to spread out the payments of bills over a few more days.

Accordingly the last date of payment of bills of lighting consumers having Installation Nos. A 1 to A 3500 only is postponed from the 15th as now fixed in Rule 9 of the Rules aforesaid to the 18th of the month following that for which payment is due, *i.e*, the last date of payment mentioned in Rule 9 in the Rules aforesaid will continue to be the 15th for all power consumers and for all lighting consumers except those having Installation Nos. A 1 to A 3500 for whom it will be fixed as the 18th.

It should be clearly understood that the rules regarding disconnection of service will be strictly applied to all installations the dues on which have not been paid on or before the date on which payment with respect to them is due.

Rule 9 para 1 of the Rules governing the supply of Electricity by the Electric Department will be modified as hereunder :—

Rule 9 para 1. "In the event of any bills for power or for lighting not being fully paid on or before the 15th of the month following that for which payment is due, the Department reserves the right to disconnect the service, which will only be reconnected on receipt of full payment of all obligations pending and a charge for the work of disconnection and reconnection of service.

Except however, that in the cases of lighting consumers having installation Nos. A 1 to A 3500 only, the last date of payment referred to above will be the 18th instead of the 15th of the month following that for which payment is due".

Nine Bills were then taken up for consideration. The Select Committee Reports on the Bill to provide for the preparation and maintenance of a Record of Rights in the lands of the Mysore State, the Bill further to amend the Mysore Municipal Regulation 1906, and the Bill to amend the Mysore Weights and Measures Regulation 1902, were considered and the motions that these bills be passed at the next or a subsequent meeting of the Council were passed. The following six bills were finally passed :—

(1) Bill to amend the Code of Criminal Procedure, 1904.
(2) Bill further to amend the Mysore Forest Regulation, 1900.
(3) The Mysore Religious and Charitable Institutions Bill.
(4) Bill to amend the Mysore Income-Tax Regulation, 1923.

There were twenty-two demands for additional or supplementary grants with 17 cut motions thereon. The latter having been withdrawn after discussion, the demands were put to vote and passed.

On the first and second day, all the seventy-four questions put by the members were answered as also the supplementary questions. The last two days were fully occupied in the moving of resolutions of which there were thirty-three. They were all taken up in the order of ballot.

Eleven resolutions lapsed on account of the absence of the movers and one was not taken up for want of time. Three resolutions were withdrawn without discussion and twelve after discussion. The Resolution regarding the alteration of rules under the Legislative Council Regulation to provide for an oath of allegiance to our Soveriegn being taken by all members of the Legislative Council on their first entry thereto and two relating to the introduction of the Workmen's Compensation Act into the State were accepted by Government. Another resolution advocating the discontinuance of the practice of coaching a few selected students in primary schools for the Vernacular Lower Secondary Examination to the detriment of the education of the rest of the children reading in such schools was accepted with certain amendments. Removal of the sex disqualification so as to render women eligible to stand for election to the Representative Assembly and the Legislative Council formed the subject matter of a resolution and was passed by the House by a majority. The resolution recommending the formation of a Committee to suggest proper legislation to raise the marriageable age of girls to 14 years and that of boys to 20 years evoked considerable discussion and when put to vote, it was lost.

The Council thereupon adjourned *sine die.*

Notification No. R. Dis. 20—1926-27, *dated the* 18*th March* 1927.

The Chief Court directs that until 15th October 1928, for purposes of enrolment as Pleaders, a certificate issued by the Principal of the College of having passed the class examination at the end of the First Year B.A. course of the Mysore University be accepted as equivalent to the First Year University Certificate Examination.

No. P. 36-2—26-27, *dated* 23*rd March* 1927.

Brief review on the working of the Process Serving Department of the several Munsiffs' Courts in the State during the quarter ending December 1926.

PART I—(GENERAL).

There was no change in the number of Naziraths (21), but there was a further increase in the number of men employed therein, namely, by one Amin of the Second Grade and 3 Process peons, 1 of the First Grade and 2 of the Second Grade, sanctioned temporarily for the First Munsiff's Court, Tumkur, in September 1926, bringing the total number to 161 Amins and 459 Process peons.

2. There was a decrease in receipts, in the quarter under review, due to the intervention of the Dasara and Christmas Holidays, there having been no such holidays in the previous quarter, the figures being Rs. 38,241-12-0 against Rs. 42,903-7-0 and there was also some decrease in charges, being Rs. 27,062-5-1 against Rs. 27,293-2-9, resulting in a net saving of Rs. 11,179-6-11 against Rs. 15610-4-3 and Rs. 1,366-14-4, in the two previous quarters.

3. The number of processes served was 65,179 against 72,033 and 46,804 in the two previous quarters. The averages for an amin and a peon were respectively 72·3 and 150·8 against 78·8 and 170·7, and 54·2 and 107·8 in the two previous quarters, the required minima under the rules being 37·5 and 100 per quarter for an amin and process server respectively.

4. The percentages of personal service in the several Courts ranged, as shown below from 84·9 in the Munsiff's Court, Kolar Gold Fields, to 57·6 in that at Sagar, all the courts, except the last three, having shown more than 65 per cent. In the case of the Munsiff's, Court, Nanjangud, no reason is assigned for the low percentage, but in the case of the other two courts, *viz.*, the Second Munsiff's Court, Mysore, and the Munsiff's Court, Sagar, it is stated that 1 peon was on leave and 6 places were vacant in the former and that many of the process servers were ill in the latter court.

It is however satisfactory that in so many as 15 out of 21 Courts was 68 per cent or over and that for all the 21 Courts taken together the average for the State works out as 71·9 or slightly better than the average of 71·1 of the preceding quarter.

	Court.	*Percentage of Personal service.*
1.	Munsiff's Court, Kolar Gold Fields	84·9

BANGALORE, THURSDAY, APRIL 7, 1927.

PART IV.

NOTIFICATIONS BY THE HEADS OF DEPARTMENTS.

JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE AT BANGALORE.

CIVIL SIDE.

Addendum *et* corrigendum dated 24th March 1927, to the Rules dated the 25th September 1905, issued for the purpose of regulating the practice of the Chief Court (printed at pages 1 to 10 of General Rules and Orders-Civil, Vol. 1).

The Chief Court directs (1) that the following be added as clause (9) of Rule 11 :—

"To extend the time for a period or periods not exceeding six weeks in all for payment of printing or typing charges or process fees or for any similar act necessary to make appeals, petitions, etc., ready for hearing," and

(2) that the following be substituted for Rule 20 :—

"When any default is made in the payment of printing or typing charges, or process fee or in respect of any similar act necessary to make appeals, petitions, etc., ready for hearing after any period or periods of extension of time granted by the Registrar or Deputy Registrar, the case shall be posted for the orders of the Court."

No. P. 32-2—26-27, *dated* 28*th March* 1927.

Review of the work turned out by the Subordinate Civil Courts in the State during the quarter ending with December 1926.

1. *Number of Courts.*—There was no change in the respective number of Courts exercising appellate and original jurisdiction, *viz.*, 6 and 30 including the Additional Subordinate Judge's Court at Mysore and the two Additional Munsiffs' Courts at Mysore and Bangalore.

2. *Appellate Work* :—(*a*) *District Judges* (3).—There was a decrease in disposals of Regular and Miscellaneous Appeals taken together (57 against 105 in the previous quarter.) The decrease is perceptible in the District Judges' Courts at Bangalore and Shimoga, *viz.*, 5 and 11 against 29 and 40 respectively, due to the intervention of the Dasara and Christmas Holidays and to the longer duration of Sessions Case. The pendency however decreased from 790 to 732 due to the transfer of 160 appeals to the Subordinate Judges' Courts.

(*b*) Subordinate Judges (3 including the Additional Subordinate Judge at Mysore and excluding the Subordinate Judge at Bangalore).

There was likewise a fall in the disposal of Regular Appeals (56 against 113) and the pendency rose from 180 to 286 by reason of the receipt of larger number of appeals by transfer, *viz.*, 160 as against 2 in the previous quarter.

3. *Original Work.*—(*a*) District Judges' Courts (3) :—The number of Original Suits disposed of was 8 against 22 in the previous quarter and the pendency increased from 117 to 126.

(*b*) Subordinate Judges' Courts (4 including the Additional Subordinate Judge's Court at Mysore).

The pending number of Original Suits was slightly less (475 against 477) and the disposals slightly more (60 against 53).

Notwithstanding a decrease in the disposals of Small Cause Suits (1,222 against 1,600), the pendency decreased from 2,193 to 2,032 due to a fall in institutions (1,061 against 1,386).

(*c*) Munsiffs' Courts (23 including two Additional Courts).

With a fall in institutions, the disposals or Original and Small Cause Suits decreased (3,776 and 4,003 against 4,772 and 5,357 respectively). The pendency of Original Suits was almost the same (9,752 against 9,702) while that of Small Cause Suits decreased (3,659 against 3,862).

OFFICE OF THE SECRETARY, LEGISLATIVE COUNCIL.

No. R. E. L. 1054, *dated* 12*th April* 1927.

Abstract of the proceedings of the eleventh meeting of the Mysore Legislative Council held on the 30th March 1927.

The eleventh meeting of the Mysore Legislative Council was held on Wednesday the 30th March 1927 in the Council Chamber, Public Offices, Bangalore. All the members were present except Messrs. Javali Ganesha Rao, H. G. Basavappa, D. Venkatesaiya and S. M. Narayanaswamy Pillay.

The Assistant Secretary reported to the House the resignation by Col. W. L. Crawford, D.S.O., of his membership on the Council and also the fact of the following Regulations having received the assent of His Highness the Maharaja on the dates specified against each of them:—

(1) Regulation to amend the Code of Criminal Procedure, 1904. 14th March 1927.

(2) Regulation further to amend the Mysore Forest Regulation, 1900. 14th March 1927.

(3) Regulation to amend the Mysore Income-tax Regulation, 1923. 14th March 1927.

(4) Regulation to amend the Mysore University Regulation, 1916. 14th March 1927.

(5) Regulation to amend the Regulation to provide for and regulate the destruction and segregation of stray dogs and of diseased horses and cattle (VI of 1899). 14th March 1927.

(6) The Mysore Religious and Charitable Institutions Regulation. 19th March 1927.

Sixteen questions together with supplementary questions thereon were put and answered. The motion for the adoption of the Report of the Committee on Public Accounts of the Audit and Appropriation Report on the accounts of the Mysore Government for the year 1925-26 was passed Twenty-two demands for additional and supplementary grants together with three cut motions formed the next item of business of the Council. The cut motions having been withdrawn after discussion, the demands were finally passed.

Eleven resolutions were tabled for discussion. Of these, four lapsed on account of the absence of the mover, two were withdrawn without discussion, and the remaining five, after discussion.

The President prorogued the House with the following speech.—

GENTLEMEN,—

It is my duty to-day to declare the prorogation of this, the first Council after the Reforms of 1923, at the end of its three years of work, and to bid you all a cordial farewell, which in the case of many will take the form of 'Vale atque ave'—farewell and welcome to a new term of work.

I think it will be fitting if I allude briefly to the work accomplished by this Council during the past three years. The Council met 10 times during this period and sat 56 days for the transaction of business. It passed 30 legislative measures including the three Bills passed to-day. Members asked as many as 420 questions, and a large number of supplementary questions besides, on various administrative matters; and they also gave notice of 170 resolutions, of which 105 were either discussed or withdrawn and the remaining 65 lapsed. Of those that were discussed, 17 resolutions were accepted. In addition, the three Budget Sessions gave opportunities to members for discussing the policies of the several departments of the administration and bringing their shortcomings to notice.

Coming now to the nature and importance of the business transacted by the Council, I must refer first of all, to the measures relating to the reconstitution of District Boards and Village Panchayets on a broader basis which were passed by this House last year and have recently been brought into force. These Regulations may, in actual working, be found to require changes in many details, but it stands to the credit of this Council that it is associated with far reaching reforms in the sphere of Local Self-Government in Mysore. The improvement of the procedure for land acquisition, the abolition of cotton excise duties, the amendment of the law relating to religious and charitable endowments and the appreciation of research in agricultural matters, as evidenced by the Coffee Cess Regulation, are measures which this Council may well be proud of Again, the passing of the Record of Rights Bill at this Session marks an important departure, on progressive lines, from the traditional land revenue policy of the State.

I may also allude to the ready and enthusiastic support which this Council has always extended to measures for the relief of distress due to the recent floods and drought in parts of the State, to the better administration of the education cess, the improvement of medical relief and other important questions.

The vigilant scrutiny which the members have exercised both in Committee and in the House in regard to the Budget Estimates and public expenditure generally is another highly gratifying feature of the work of the Council.

More than the actual output, is the spirit in which the work is done and received. I can assure you that your criticisms and suggestions, even where they led to no definite and immediate results, have often induced Government to re-examine and where necessary to revise their proposals. Any one who will compare the record of work I have given with the record of this Council for a similar period before the Reforms will easily see that the Council has now come to exercise a much greater influence on the course of the administration and on its aims and policies. I shall not say that the members have all thoroughly exhausted their opportunities and that the Reforms have been utilised so as to secure the maximum of benefit which they are capable of yielding. As I have said before, the usefulness of our political institutions must necessarily depend to a very large extent upon the degree of public education and non-official organisation in the country; and these naturally will take time to grow. But, in the meantime, a hearty word of acknowledgment is due to you for the steady and earnest work by which you have laid the foundation for the future career of this Council. By your readiness to appreciate the difficulties of practical administration, by your constant good sense and reasonablness of attitude, no less than by your courage and firmness in representing your various views, you have maintained the dignity of this House and established honourable conventions for the future. I trust these characteristics will be no less in evidence in the new Council. I can assure you that there will be as important work for it to do hereafter as there was ever before—in fact work involving far vaster interests and more complex issues. It will require in us a broad and heightened outlook which will allow no petty sectarian or class question to distract our minds. It will require thoughtfulness that will look far into the future and will also take note of our immediate responsibilities. A large amount of patience, tolerance and willingness to co-operate cheerfully with all parties in the pursuit of the highest aims, a realisation of the commonness of our State and the community of our citizenship—these qualities will be called for in an even greater measure in future than in the past. I pray and trust that they may be forthcoming in all gratifying amplitude during the renovated career of this Council.

Gentlemen, it only remains for me to thank you all once again for all the courtesy and co-operation which Government and their officers have received at your hands.

This Council is now dissolved.

Rajasabhabhushana Diwan Bahadur Sir K. P. Puttanna Chetty, Kt., C.I.E., suitably replied on behalf of the House.

The Council thereupon adjourned *sine die*.

Secretary, Legislative Council.
